- Get the latest edition

Cole-Parmer is dedicated to finding the right books for you! You can find our complete offering of book titles on our Web site. We also have more details and specifications on our book titles online. Just enter the catalog number into the online "Catalog Search" box and click "Go." And if you need something that's not listed, we'll try to find it for you. If it is available, we'll place a special order for you. Just call your Customer Service Representative for information.

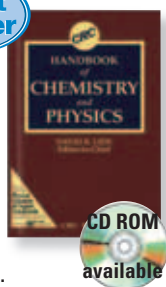

Handbook of Chemistry and Physics

Edited by D. Lide, 2007.

This latest edition contains all the information you have come to expect from this popular scientific reference. New tables and expanded reference sections help you to find facts, figures, and reliable physics and chemistry data. New sections include the latest CODATA/NIST values, orthogonal polynomials, Clebsch-Gordon coefficients, and statistics. The CD-ROM 2007 features all the information found in the 87th edition of the handbook plus much more.

Best Seller

R-00543-14 Handbook of Chemistry and Physics, 88th Edition.....

2608 pp. ISBN 0-8493-0487-3. Shpg wt 7 lb (3.2 kg).

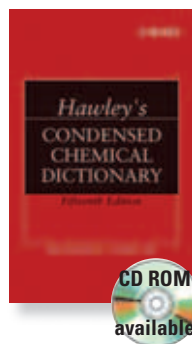

R-15116-12 Handbook of Chemistry and Physics, CD-ROM, 2007 version, Windows®.....

ISBN 0-8493-2878-0. Shpg wt 1 lb (0.5 kg).

Hawley's Condensed Chemical Dictionary

By R. Lewis, Sr., 2007.

Valuable reference is a compilation of technical data and descriptive information covering thousands of chemicals and chemical phenomena, trade name products, reactions, products, and related terminology. It is organized to meet the needs of those who have only minutes to devote to any given substance or topic. This updated edition contains 4,200 new or updated entries; 3,000 new chemicals; and updates and expands the extensive data on chemicals, trade name products, and chemistry-related definitions.

R-00561-30 Hawley's Condensed Chemical Dictionary, 15th Edition.....

1379 pp. ISBN 0-471-76865-4. Shpg wt 5 lb (2.3 kg).

R-00561-31 Hawley's Condensed Chemical Dictionary, CD-ROM.....

ISBN 0-471-76896-8. Shpg wt 1 lb (0.5 kg).

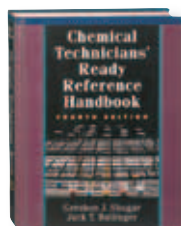

R-00561-29 Hawley's Condensed Chemical Dictionary, 15th Edition, book and CD-ROM set.....

1379 pp. ISBN 0-471-76865-4 (book). Shpg wt 6 lb (2.8 kg).

Chemical Technicians' Ready Reference Handbook

By G. Shugar and J. Ballinger, 1996.

Handbook discusses equipment needed for each technique and how to use it; the sequential steps to be taken including safety precautions, raw data, observations, and calculations.

R-00543-02 Chemical Technicians' Ready Reference Handbook, 4th Edition.....

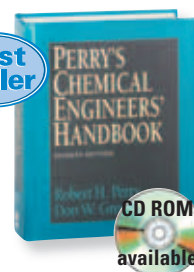

1000 pp. ISBN 0-07-057186-4. Shpg wt 4 lb (1.9 kg).

Perry's Chemical Engineers' Handbook

Edited by R. Perry and D. Green, 1997.

This resource supplies fundamental principles and classic methods to handle virtually any chemical engineering problem. The text discusses thermodynamics, fluid and particle mechanics, transport and storage of fluids, gas absorption, waste management, and much more. Includes conversion factors, physical and chemical data, and graphs.

Best Seller

R-00541-00 Perry's Chemical Engineers' Handbook, 7th Edition.....

R-15731-04 Perry's Chemical Engineers' Handbook, CD-ROM, Windows® and Macintosh®.....

R-15731-06 Perry's Chemical Engineers' Handbook, book and CD-ROM set, Windows and Macintosh.....

2640 pp. ISBN 0-07-049841-5. Shpg wt 6 lb (2.8 kg).

Merck Index

Edited by M. O'Neil, 2006.

This encyclopedia of chemicals, drugs, and biologicals includes more than 700 new or revised monographs. It serves as a quick reference to fundamental information on compounds. The companion CD-ROM is now included with the book and includes all the content from the print version plus monographs no longer available in print.

Best Seller

R-00561-32 Merck Index, 14th Edition, book and CD-ROM set.....

2564 pp. ISBN 0-911-91000-1. Shpg wt 7 lb (3.2 kg).

Excel® for Chemists

A Comprehensive Guide

By E. Billo, 2001.

This book and CD-ROM provide a complete guide to the Excel tools that help chemists process, analyze, and present data. Learn how to create spreadsheets using built-in Excel tools and perform chemical calculations. Filled with shortcuts and tips for beginning and experienced Excel users.

R-16564-03 Excel® for Chemists, 2nd Edition.....

482 pp. ISBN 0-471-39462-9. Shpg wt 2 lb (1.0 kg).
